

SAOG 2020

Science of Surfaces, Interfaces and Nanostructures

36th SAOG Meeting

Thursday, January 30th, 2020

Venue:

Haute école d'ingénierie
et d'architecture

Bd de Pérolles 80

CH-1700 Fribourg

www.saog-gssi.ch

CALL FOR PAPERS

Authors are invited to submit an abstract for an oral or a poster presentation via e-mail to abstracts@saog-gssi.ch

Deadline is Monday, December 16th, 2019

Contributions from all fields of interface and surface science and nanotechnology are welcome.

Abstracts must be formatted according to the SAOG template.

Visit www.saog-gssi.ch for further details.

Authors will be informed about acceptance of their paper on January 3rd, 2020.

EXHIBITION

An exhibition presenting new instrumental developments and analytical services will take place in the entrance hall.

Please contact Dr. Paul Muralt, EPFL Materials Science Institute, SCI-STI-PM, CH-1015 Lausanne, paul.muralt@epfl.ch

SAOG POSTER PRIZE

The best poster presentations will be awarded with the SAOG Poster Prize, endowed with 500 CHF.

SAOG COMMITTEE

K.-H. Ernst, President, Empa, Dübendorf

P. Brodard, HEIA, Fribourg

T. Bürgi, UNIGE, Genève

P. Gröning, Empa, Dübendorf

H.-P. Haerri, METAS, Bern

E. Meyer, Universität Basel

P. Muralt, EPFL, Lausanne

G. Patzke, Universität Zurich

N.D. Spencer, ETH Zurich

H. Wolf, IBM Rüschlikon

Invited Speakers

Sylvia Ceyer

MIT, Cambridge, USA

Reactions at Surfaces:

Delving Below and Beyond

Angelika Kühnle

U Bielefeld, D

Molecular Structure Formation on Surfaces:

Competition between Thermodynamics and Kinetics

Martin Aeschlimann

U Kaiserslautern, D

A Momentum Space Perspective of Metal-Organic Hybrid Interfaces

Edmondo Benetti

Empa, St. Gallen, CH

Chemical and Topological Evolution of Polymer Interfaces
